

The Great Email Escapade

no, I don't want advertisements

CAN I REALLY SEND AN EMAIL FROM A RESIDENTIAL ISP?

Should I try ESP?

EMAIL FAILED!

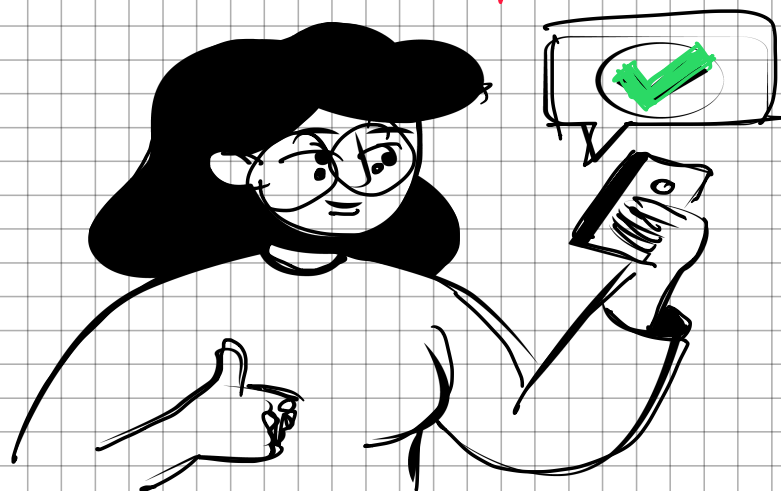

SPF ✓

DMARC ✓

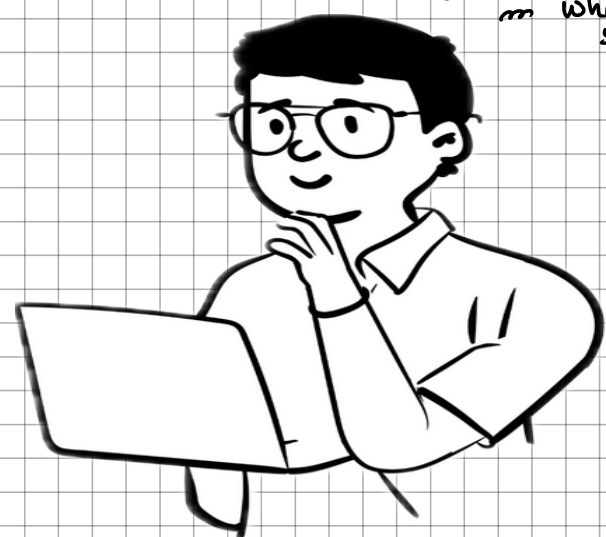

DKIM ✓

how about just an email?

Email Sent!!!

WAIT! WHAT!
How's that even possible?
what about all the security measures?

well, why don't you read our paper!

TL;DR - Security Isn't A Myth -

But Privacy Can be!
